

Bringing the Internet to your home is easy and affordable

If Comcast serves your area with Cable and Internet service, you may be eligible for a low cost Internet. Now you can connect to the Internet at home - for school, work, communicating with others and so much more.

(Internet service is provided by Comcast and is not affiliated with York County School of Technology)

To qualify for \$9.95 a month Internet service and a low-cost computer, your household must meet these criteria:

1. Be located where Comcast offers Internet service
2. Have at least one child eligible to participate in the National School Lunch Program
3. Have not subscribed to Comcast Internet service within the last 90 days
4. Not have an overdue Comcast bill or unreturned equipment
