Kindergarten Survey

Chester-East Lincoln CCSD #61 would like to determine approximately how many kindergarten students to expect for the 2023-2024 school year. Children must be five years old on or before September 1, 2023 to be eligible for kindergarten or qualify for early entrance under the district's Advanced Placement Program. If your child is eligible to enter kindergarten for the upcoming school year, please complete the form below and return it to Chester-East Lincoln CCSD #61 at 1300 1500th Street as soon as possible. Registration will be in July.

Before entering school in the fall, we will need a copy of your child's physical and immunization record, dental and eye exam, and a certified birth certificate.

If you have a concern or question about your son/daughter's readiness for kindergarten, CEL will be conducting Pre-K screenings in March-April. Please call the office at (217)732-4136 to set up an appointment.
