

Hobbs High School STUDENTS

CTECH

CTECH

CAREER AND TECHNICAL EDUCATION CENTER OF HOBBS

BE INSPIRED

A real world setting inspires students to see the relevance of what they are learning in a field of interest, collaboration, creativity, critical thinking, and problem solving are acquired through experiential learning.

BE CHALLENGED

Preparation for industry certification, internship opportunities, career shadowing, professional community partnership are a focus of class time.

BE EMPOWERED

Career and Technical Education Student Organizations (CTSO) such as SkillsUSA, FFA and DECA enhance student's learning through contextual instruction, leadership and personal development, applied learning and real world application.

ABOUT US

The Career and Technical Education Center at Hobbs Municipal Schools offers inspiring hands-on career pathways, combining rigorous coursework with project learning in a collaborative setting for students who want to gain a deep understanding of and actively participate in high demand professions. The \$50 million facility will provide courses that prepare high school students for technical careers or secondary educational pursuits after completing high school.
