

All of JFK's club offerings for the 2022-23 school year are listed below. Traditionally, all clubs conclude at 3:15 pm; however, there are several clubs that are a little more involved (ex., drama, debate, etc.). These clubs will occasionally require more of a time commitment. If students involved with these clubs are requested to stay passed 3:15 pm, parents/guardians will be notified in a timely manner. ALL parent/guardian pick-ups will take place outside of the white wing entrance. This is located a little passed the main office entrance. Please follow the same traffic loop that we utilize for afternoon pick-ups.

Unfortunately, labor shortages are impacting our ability to offer afterschool transportation. We understand that this is not ideal and will continue to work with Smyth Bus Company in hopes of a solution, but this issue is part of a larger national problem facing our public school systems. If something changes and we are able to offer transportation, you will be notified immediately.

If the time of the club listed below states *TBD*, please remind your child to listen to the announcements in the morning. We will utilize the announcement system to communicate where and when certain clubs will meet. If you have any additional questions about a particular club, please note the educators name who is facilitating the club and contact them via our [directory](#).

YOUR CHILD MUST SIGN UP FOR THEIR CLUB ACTIVITY UTILIZING THEIR MICROSOFT 365 LOGIN INFORAMTION.

[JFK AFTERSCHOOL ACTIVITY SIGN UP HERE](#)
